

Public Open House Hirsch Street Roadway Improvement Project April 18, 2017

Welcome to the Public Open House for proposed City of Atlanta Hirsch Street and Westminister Drive Roadway Improvement projects. In this handout you will find a description of the Hirsch Street Roadway Improvement project, project map, and a comment card.

As you enter the room, please feel free to review the display of the proposed project as well as other similar roadway improvement projects in Atlanta. Renew Atlanta and representatives from the ARCADIS|BPA Joint Venture are available to discuss the project and answer your questions. The attached comment card is an excellent way to have your comments recorded and considered.

The informational boards, and comment card will be available following this meeting on the Renew Atlanta website. www.renewatlantabond.com

PROJECT DESCRIPTION

This project will provide roadway improvements along Hirsch Street from Richards Street to Ethel Street. This new pavement will tie in to existing pavement on Hirsch Street, Richards Street, and Ethel Street. This project is approximately 280 linear feet. The existing section includes a gravel road approximately 22-feet-wide. The proposed section includes a 22-foot-wide asphalt paved road with an 11-foot travel lane in either direction. There is a 6-inch granite curb and 2-foot grassed shoulder on the western side of the street, and a 6-inch granite curb, 5-foot sidewalk, and 2-foot grassed shoulder on the eastern side of the street. ADA ramps will be reconstructed to tie into existing sidewalks at the intersection of Richards Street and Ethel Street. New stop bar pavement markings and stop signs will be located on each end of Hirsch Street.

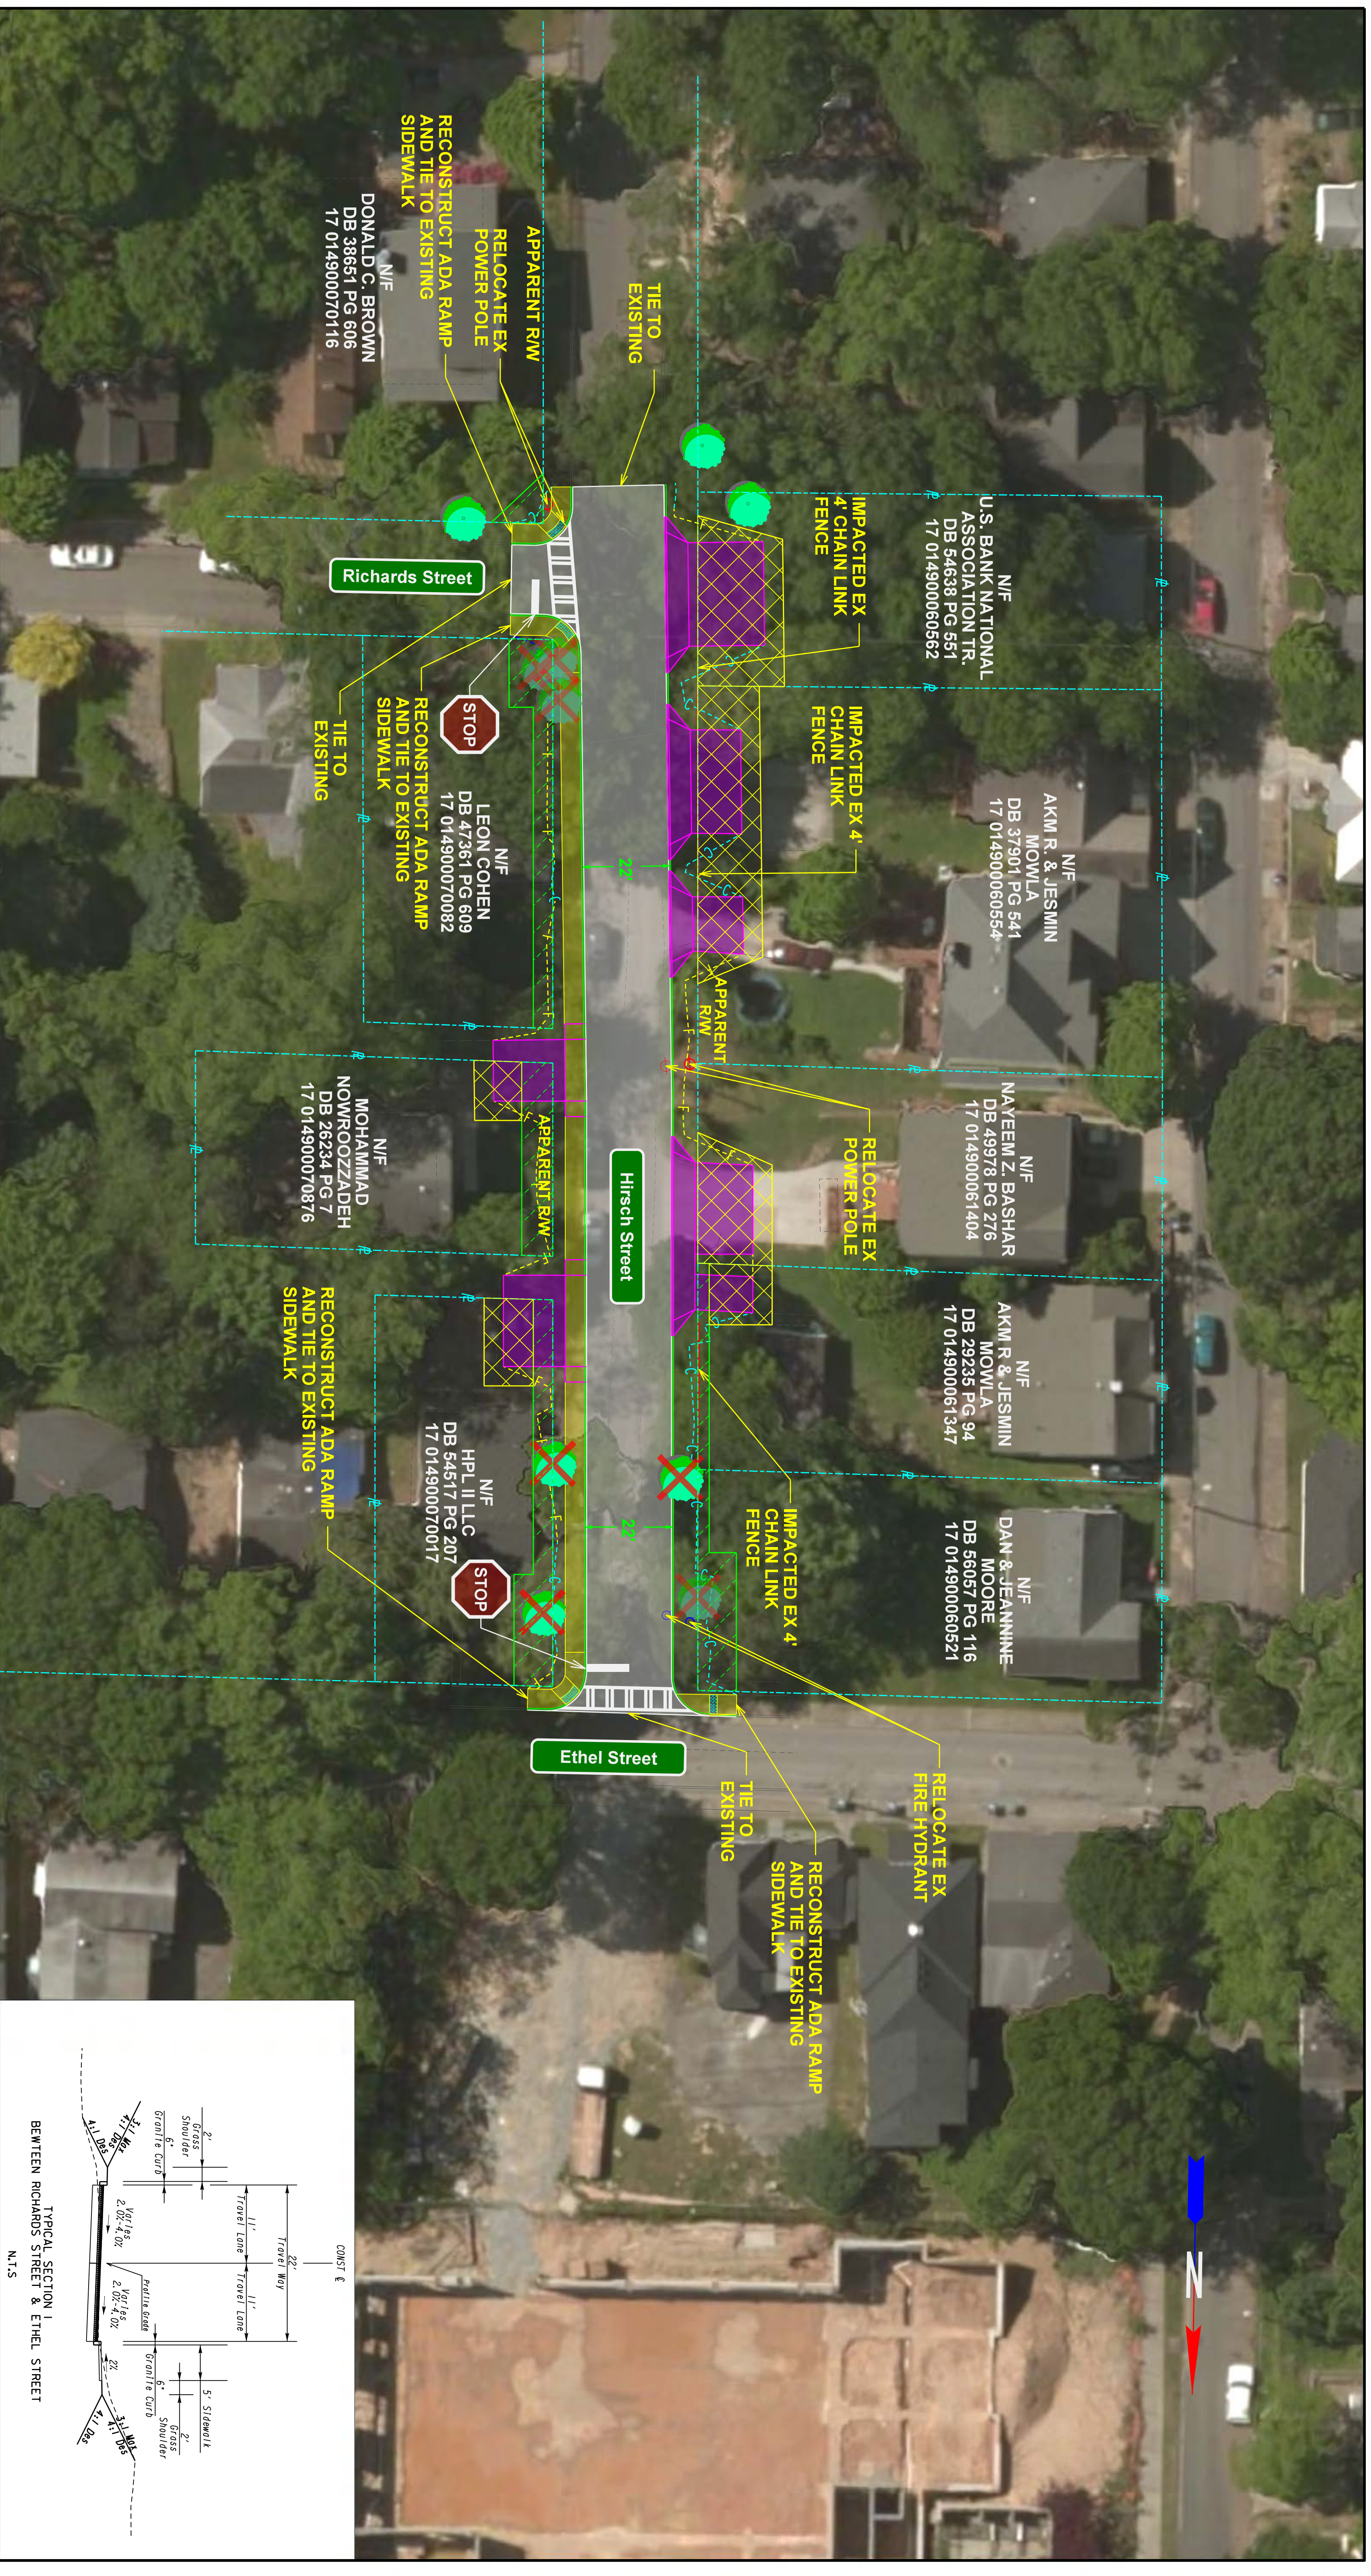

The location of the proposed project can be seen in the attached project map.

CLOSING

Thank you for attending this Public Open House and providing your comments. Your input is an important part of the process.

Please visit www.RenewAtlantaBond.com for additional information or email us at RenewAtlanta@AtlantaGa.gov.
